Sep 2018	Mon 03 Sep	NEW SEASON PROGRAMME	

Originally established locally in Ifield around 1961 as a "camera club", Crawley Camera Club now provides a wide range of photography related activities, experiences and support for beginners, intermediate and experienced photographers. Our members have varied interests using digital, film, print, online and phone media.

Our programme includes practical workshops and studio sessions, talks, classes facilitated by club members on areas such as landscape, portrait, street, macro, phone, etc where members can share and discuss their own images and learn new skills, ideas and inspiration; and competitions including externally judged digital image and print of year and our monthly challenges on a set subject. All these activities are open to any member. We also have our own studio and darkroom for use by members.

Our location is Hut 16, Tilgate Forest Recreation Centre, Crawley RH11 9BQ (close to K2 Leisure Centre). There is free parking and wheelchair access into and throughout the Club's premises. New members are invited to come along to any club night (about 19.45 for 20.00 start) and ask for Ros Wood (membership), George Redgrave (chair) or any committee member.

If you have any enquiries or you have an idea and wish to host a club evening please feel free to send an email to: programme@crawleycameraclub.co.uk

Summary Page
