Sep 2019	Mon 02 Sep	NEW SEASON PROGRAMME

Originally established locally in Ifield around 1961 as a "camera club", Crawley Camera Club now provides a wide range of photography related activities, experiences and support for beginners, intermediate and experienced photographers. Our members have varied interests using digital, film, print, online and phone media.

Our programme includes practical workshops and studio sessions, talks, classes facilitated by club members on areas such as landscape, portrait, street, macro, phone, etc where members can share and discuss their own images and learn new skills, ideas and inspiration; and competitions including externally judged digital image and print of year and our monthly set subject competition. All activities are open to any member. We also have our own studio and darkroom for use by members.

Our location is Hut 16, Tilgate Forest Recreation Centre, Crawley RH11 9BQ (close to K2 Leisure Centre). There is free parking and wheelchair access into and throughout the Club's premises. New members are invited to come along to any club night (about 19.45 for 20.00 start) and ask for Ros Wood (membership), George Redgrave (chair) or any committee member.

If you have any enquiries or you have an idea and wish to host a club evening please feel free to send an email to: programme@crawleycameraclub.co.uk

Wed 26 Jun 2019	CLUB AWARDS EVENING and (short) AGM - followed by Monthly "Set Subject" Competition knockout final with top images from each of this year's monthly competitions

This competition comprises monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is "colours". Images should use, exploit or be inspired by the chosen colour (for fairness the colours are used alphabetically). Think laterally - some colours are used in book/film titles, common phrases and other contexts (eg Black Beauty, Red October, silver bullet, white wedding, red mist, etc). Up to three images can be submitted in each month (on the evening of the competition) by each photographer.

A change for this year is that images can be taken at any time during the 12 months starting after the previous knockout final on 27 June 2018 - and can be entered in one of the monthly knockout competitions provided the image is relevant to the set subject colour for that month. Each month members attending on the evening vote images into a 'top 8' - followed by a knockout to determine 1st, 2nd, 3rd. The top 3 images each month go forward to the knockout final after the Awards and AGM.

Ideally digital images should follow the same guidelines as used for PDI competition (ie jpgs sized at 1920 x 1080 pixels). Full submission guidelines are on the website. Please title your three images image title\_yourname\_optionally any other data.jpg as used for PDI competition.
