Wed 30 Jun 2021	CLUB AWARDS EVENING and (short) AGM - followed by Monthly "Set Subject" Competition knockout final with top images from each of monthly set subject competitions

This competition comprises monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is the "letters" in FINDING PHOTOS (there are ten unique letters used in sequence F I N D I N G _ P H O T O S). Additionally there are two additional (online) rounds in Summer 2020 using the remaining letters JQK (July 2020) and VXZ (August 2020). Images should use, exploit or be inspired by the chosen letter. Think laterally - image maybe be about the shape of the letter, symbols, common usage or a word/acronym/name starting with or using the letter etc. Up to three images can be submitted in each month (on the evening of the competition) by each photographer.

Usually images can be, or have been, **taken at any time during 2020 or 2021** - and can be entered in one of the monthly knockout competitions provided the image is relevant to the set subject letter for that month. (Any online polls have a slightly modified set of rules.) Each month members attending on the evening vote images into a 'top 8' - followed by a knockout to determine 1st, 2nd, 3rd. The top 3 images each month go forward to the knockout final after the Awards and AGM.

Ideally digital images should follow the same guidelines as used for PDI competition (ie jpgs sized at 1920 x 1080 pixels). Full submission guidelines are on the website.
