

Macro (a closer look at the past week)

On Monday we had a first class presentation over Zoom by Antony Zacharias on "Mastering Long Exposure" with much discussion of his techniques and plenty of amazing images - in particular on his speciality of urban architectural compositions with long exposure.

He has provided us with a document on using ND filters which you can download here [CCCNews110322](#) (link expires in a week).

Also check out his [website](#) (click link) for more information and images.

The Sussex Photographic Federation [Print Competition](#) (click link for rules) is back this year on Saturday 28 May at the Haven Centre in Crawley Down. Brian is currently bringing together the CCC entry of six prints (from six photographers). You may have seen the email conversation. If we have more than six candidates then we may need a short selection process. Stay tuned.

Next Wed 16 Mar we have PRINT Competition Round 3 (of 3) with external judge Mike Warren. As we are not yet meeting in the Hut this round will be a DPI round (ie "Don't Print It") using digital images. Images have been sent to Mike so he can see them offline before delivering his commentary via Zoom.

REMINDER - Images for the next Monthly Competition are due by 6pm Mon 21 March. The themes this year are based on the school curriculum and this month's subject is "Nature". Watch out for separate submission email.

HEADS-UP - The PDI of the Year is to be judged by Marie-Ange Bouchard on Zoom on Wed 30 March. Photographers who have taken part in the PDI Competition (Rounds 1-3) can submit the **titles** of up to four images by Wed 23 Mar (we will use the images we already have on file). Watch out for separate email for details.

IN CASE YOU MISSED IT - SxPF published a book "England During The Pandemic" selected from the 2021 competition (in place of its usual print competition). It includes five CCC images including medal winners. Browse the book (and purchase a copy if you want) on Blurb via this SxPF [link](#).

CCC is a member of both the Surrey Photographic Association (SPA) and the Sussex Photographic Federation (SxPF). We are often asked to pass on details of competitions/exhibitions/awards/events/etc within the Surrey/Sussex region. Click on the these links [SPA](#) and [SxPF](#) to see latest news on their websites. You can also see news on the Photographic Alliance of Great Britain ([PAGB](#)) website to which we are affiliated via SPA.
