

Macro (a closer look at the past week)

Last weekend (20 March) the Sunday Times published an article about the Club reclaiming a portion of VAT payments on its recent electricity bills thanks to a long-running pursuit by our treasurer David Rowe.

The ST commissioned a one-off cartoon by Rob Murray to accompany the article (image copyright Rob Murray and the Sunday Times). No resemblance to any Club member past or present is intended. Note: the newly refurbished darkroom is now available for booking (see below).

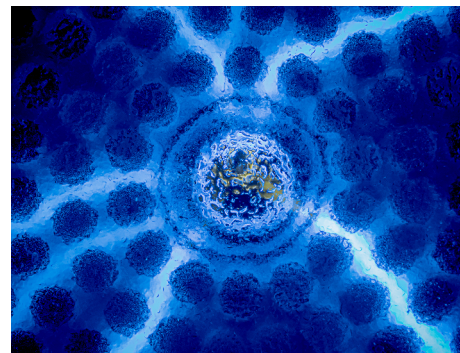

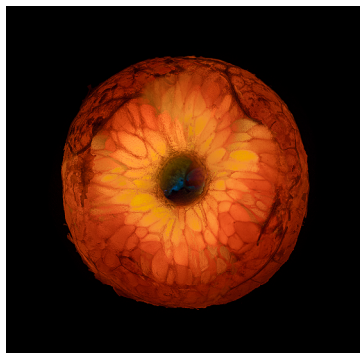

Last Wednesday we discussed the the latest set of competition images from PDI round 3 and DPI round 3.

Meanwhile voting has been taking place online for the monthly competition (theme: School Curriculum - Nature) with results to be announced at the coming Monday Zoom meeting - and the PDI of the Year images have been sent to Marie-Ange in preparation for next Wednesday's Zoom meeting. Invites for both to follow.

It's two years since our last proper Hut meeting before "lockdown 1" (18 March 2020) when Paul Holroyd talked about his macro photography. Some of Paul's images to remind you of the talk and keep you guessing.

DARKROOM and STUDIO - these can be booked via Mike Tagg. Please check availability on the facilities calendar on the website then email Mike. You will need to collect a key and return it afterwards (details from Mike when booking). Be aware that during the week we have shared part of the Hut to CrossFit Crawley and they may be holding classes. You can access the darkroom and studio through their workspace.

The "pre-AGM" meeting is particularly important this year. We need to agree how to move forward with meetings/zoom etc and we need help on the Committee. The "pre-AGM" is the time to pull together new ideas to take the Club forward - and is intended to make the AGM short. Please let Committee know if you can help.
