Macro (a closer look at the past week)

A quiet-ish Club week following on from the Easter weekend - with online voting for the monthly set subject competition which in April has the subject "PE/Sport" (this year's theme is school curriculum). Round 2 voting (the final round) closes 6pm Sunday and results are announced on Zoom on Monday 25th. Two editions still to go in May (Physics) and June (Reading/Writing) before the grand final at end June of all the top 3 placed images. So still time to enter images in May/June. Submission emails will be circulated nearer the time.

This week we welcome Chris Randall as a new member.

Brief notes from the pre-AGM meeting on 6 April are now available to download (click link). The meeting considered the type of events for the next programme (Summer Programme 2022 and Sept 2022-June 2023), going back to the Hut alongside some ongoing use of Zoom and online voting polls, and Committee vacancies. The AGM is Wed 29 June on Zoom when the Club will need to agree on make-up of the Committee for the coming year.

Final mention from George - one of the top exhibitions now on for one final week - the Sony World Photography Awards exhibition is at Somerset House, London between 13 Apr-2 May. (Click link for details)

REMINDER - Mike has organised an evening studio workshop with fashion model Lisa for Wed 11 May. There will be a charge of £5 (payable on the night) and if you are interested you need to let Mike know in advance by email (click link).

HEADS-UP - CLUB PDI Set Subject Competition is on Zoom on Wed 8 June with visiting judge David Lloyd. Images are required by Wed 1 June. He has set the subject "Fantasy". His explanation - Fantasy: something unreal/made-up or fictitious (the idea being that you generally cannot just take a photo of a something without having to add something to it either in the scene directly or in post processing). The image needs to be recognisable and look/feel 'real' (ie not just 'abstract'). Choose a title that helps tell your story.

Mid to Long Range Zoom (a look at what's coming up in the next few weeks)

- **A reminder that our covid policy for Hut meetings is still in place (click link).**
