Two editions of the monthly competition still to go in May (Physics) and June (Reading/Writing) before the grand final at end June of all the top 3 placed images. So still time to enter images in May/June. Watch for emails.

HEADS-UP (update) - Our CLUB PDI Set Subject Competition judge has set the subject "Fantasy". His explanation - Fantasy: **image contains something unreal/made-up or fictitious (the idea being that you generally have to add something in the scene directly such as a person dressed as a princess, and/or additional items are added in post-processing, like strange clouds). The image needs to be recognisable and look/feel right ie you can't see the joins etc. It should not be just 'abstract'.** Choose a title that helps tell your story. It doesn't have to be complicated - give it a go - start to prepare your four images now (for 1 June). Note: Images (or image elements) CAN HAVE BEEN USED PREVIOUSLY in ANY Club competitions at ANY time.

REMINDER - Mike has organised an evening studio workshop with fashion model Lisa for Wed 11 May. There is a charge of £5 (payable on the night). If you are interested please let Mike know in advance by [email](#) (click link).
