

## Macro (a closer look at the past week)

On Monday Damien Demolder gave us a Zoom masterclass on creating stunning street images and his tips on using backgrounds, framing, silhouettes, shadows and timing. Damien has kindly provided some images from the talk and you can find out more and see his workshops at [damiendemolder.com](http://damiendemolder.com) (click link).

Meanwhile, the monthly competition themed on school curriculum is underway ("Physics") and you can **vote** in Round 2 until Sunday 6pm. See link in separate email. See you on Zoom next Monday for results. June's competition on "Reading/Writing" (eg titles of works, people, places, objects, etc) is the last edition. Still time to participate. It is earlier than usual to fit in the final poll at end June.

And you can submit images for the Club PDI Set Subject comp ("Fantasy") until Wed 6pm. See separate email.
