2 The Science Lesson by Peter Webb

3 Quantum Supersymmetry by Steve Peel

STOP PRESS: Sadly we have heard that Edwin has had a fall and broken his hip. He is currently in hospital. We wish him a speedy recovery and send our best wishes. George has been in touch with his wife. We will share updates.

June is the final month of the Club year. In July/August we have our "Summer Programme" which tends to be more unstructured and in the past has revolved around practical sessions at the Hut suggested by members. Hopefully this Summer we can start to increase the frequency of Hut meetings again - so are looking for ideas.

However we still have a busy few weeks (see below) - starting with a Hut meeting on Monday to vote on the photo rally images (c60 images). George has collected the projector and laptop from Edwin's wife - but we **urgently** need members to step-in to be projectionists - using your own or the Club's laptop (hdmi connections).

Here is notice that our AGM is part of the Zoom meeting on Wed 29 June. Watch out for upcoming emails on important Club business matters we need to address including Committee positions for the coming year.

We are now planning the Club Print Exhibition (shared with Crawley Art Society at Crawley Museum) AND the online exhibition in Aug/Sept. A final reminder to express your interest in contributing [by email](#) (click link).
