

Monthly Set Subject Competition 2021-22

This competition comprises 12 monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is a set of subjects from the school curriculum (in alphabetical order). This theme was first used (with a smaller and different set) in 2017. Images need not be school/educational based - use the set subject title creatively. Images can have been taken at any time but ideally have not been seen previously at the Club. Each month members vote for their favourite top 3 images which go forward to the final in June. Members typically use this environment to test images that may be used in Club competitions.
