

Macro (a closer look at the past week)

Two Hut meetings this past week as we start to mix Zoom and Hut events in the programme.

Wide-angle (the bigger picture) - website updated with [latest programme](#) (click link)

There is no meeting on Monday 19 September. The online poll this week will start on Tuesday morning.

On Wednesday 21 Sept there is a Hut meeting with Mike Tagg and a lighting workshop on setting-up and using the various lights and backdrop in the studio (by request of members).

Heads up that the lighting workshop next month (Mon 17 Oct) with Mike is on "Film Noir" lighting and will be with a model - there will be an additional charge of £7 on the night to cover the fees for the model.

Reminder that this is the last week of our **Annual Exhibition** (until Fri 23 September) at Crawley Museum. Check [website](#). A version is on our [website](#). The exhibition then moves to Ifield Barn for a short "tour".

Reminder that we can offer members the opportunity to show a selection of your own images on the website. You can find an example on the website on the [Galleries](#) tab. The gallery also works on tablets and phones.

If you are interested then :

- SELECT up to 12 images (can be fewer) - keyline is personal choice - the background is black. This is a public site accessible by all age groups so please choose your images accordingly.
- SIZE them to be max 1920x1080 pixel JPEGs - can be less. Quality is limited when viewed on the web and there is no need to use very high quality/high pixel images (and your page loads faster)
- TOTAL SIZE of all your images should not exceed 30mb - we may change these limits depending on take-up.
- NAME your images as follows 01_image title_yourname, 02_image title_yourname, etc

The number is the sequence in which they will be displayed (top row = 1,2 next row = 3,4 etc). If you don't include numbers then they are shown alphabetically. Precise positioning is determined by the webpage.

- CHOOSE (and identify clearly) ONE of your images to be on the list of galleries as your link to your gallery.
- PROVIDE a short header for your webpage (see example) - additionally you can provide a website address for your own site (or flickr etc) if you have one. A copyright line will be added at bottom of webpage as shown.
- SEND info and images (ideally as dropbox link but could be emails) to me at crawleycameraonline@gmail.com Subject "Gallery". Gallery page created/modified as soon as possible (but no guarantees as to time).

You can change your images (individually or bulk) later using same process (subject to reasonable use please).

Galleries will be removed on request of the photographer or if a member leaves the Club.

Gallery images may get selected to appear in the sidebars of some webpages (which are randomly selected).

Galleries are supported whilst we have available space on our website - feature may be changed in the future.
