

## Macro (a closer look at the past week)

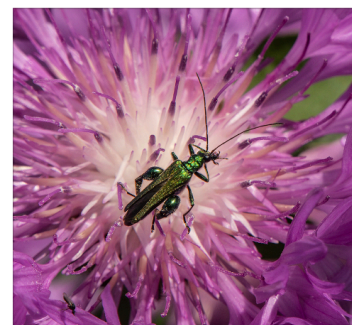

On Monday's Zoom meeting Lawrence Homewood judged our Club PDI Competition Round 2. Congratulations to the top 3 images. Download results here [CCCLink](#) (link expires in one week).

1 Wild Thing by Graham Wilcock

2 Tranquility by David Rowe

3 Thick-legged Flower Beetle by Phil Marsden

On Wednesday we had a lively Zoom meeting discussing the images from PDI Round 2 which developed the new "doughnut" marking system. If you missed it - you missed it ! Thanks to everyone who joined in.

If you fancy having your images judged by different "philosophical" criteria then see the forwarded email from the Classical Association (also see [link](#)). Note no composite or subject augmentation post-processed images.

The Mix n Match competition (see previous two newsletters) is coming up. MSCC have now confirmed that we are using the same process and categories as last year. We NOW need candidate images as input into our selection process. Images need to be interesting/novel/amusing/etc and clearly show a subject which can be identified **without an image title** and relate to one of A-Z, 0-9, and the special characters ? % + ! (note - not all monthly comp images fit the bill as they often need titles). Please see emails regarding Monday's meeting.
