

Macro (a closer look at the past week)

A busy week Chez CCC both front of office and behind the scenes. On Monday's Zoom meeting we discussed, ranked and scored the 30 images from the Clubs in Belfast, Cardiff and Edinburgh (anonymously mixed up) for input into the (tele)Photo Challenge results. Thank you to those that contributed via the online poll and on Zoom.

On Wednesday our planned talk by Warren Alani had to be postponed due to illness, but he kindly volunteered his wife as a last minute replacement. Lilliana Alani, from Serbia, is an [award-winning exhibition photographer](#) in her own right and her People, Places and Faces presentation highlights her wide photographic interests. We were treated to some beautifully seen, finely composed and well taken images and their back stories.

Thank you to Lilliana for providing copies of © The Ryder, Amber, Aunty Fatima and Adult Education.

We hope to reschedule Warren's presentation for a later date.

Behind the scenes the process of consolidating the (tele)Photo feedback and marks has started and the images and documentation for our upcoming set subject competition "Action" have been packaged and sent to the judge.
