

Macro (a closer look at the past week)

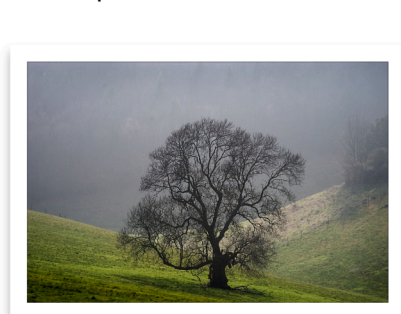

On Monday's Zoom meeting the results of the April monthly set subject competition (alphabet subject A) were presented. Congratulations to the top 3 images. Download results here [CCClick](#) (link expires in one week).

1 "All Blacks" motif amongst abstract architecture by Steve Peel

2 Age Difference by David Rowe

3 Angmering Estate Tree by Steve Yates

On Wednesday's Zoom Dublin-based photographer Joe Houghton (www.houghtonphoto.com) gave us an entertaining and informative talk on street photography and in particular his "[Streets of Dublin](#)" project.

I'm sure those who attended enjoyed his presentation style, content and tips on taking, processing (with Nik Silver FX) and presenting his portfolio of images as panels and printed book.

He has provided some additional information and links mentioned in his talk which you can find in the attachment to the newsletter email.

Please see deadlines below for submitting Print and monthly competition entries. Usual submission guidelines apply.

One of Joe's other talks is on artificial intelligence (AI) in photography and he shows examples of AI generated text and images. [Download document to see what happened when I asked for some AI text on camera clubs and CCC.](#)
