

## Macro (a closer look at the past week)

On Wednesday we had a creative lighting workshop at the Hut featuring some lightpainting set-ups. A chance to look behind the scenes of some stormy sea images seen in the Club over the past year or so.

Taking a suggestion from the previous week's zoom talk - here is a small representative set of square crop images from the night in a panel. Images by Paul, Andy, Peter, Chris, Ben and George.

Everyone came along having completed their homework and set up their cameras ready for the evening and we were able to quickly get into a rhythm of shoot and re-set to maximise creativity opportunities on the night. Seems everyone enjoyed the evening as we estimate well over 700 images were taken on the night. See the new Club gallery web page dedicated to our [Creative Lighting](#) images and events. Other similar themed pages to follow. Let me know if you have images that can be included.
