

Macro (a closer look at the past week)

On Wednesday we had a creative lighting workshop at the Hut featuring some experimental "ghetto" lighting set-ups - using a torch and grids. Different lighting approaches were first trialed with the mannequin. Afterwards, the more successful set-ups were repeated with our model for the evening. Here is a small representative set of square crop images from the night in a panel. Images submitted by Andy and Dave.

See the new Club gallery web page dedicated to our [Creative Lighting](#) images and events. Other similar themed pages to follow. Let me know if you have images that can be included.

Reminder that monthly competition results are on Wednesday this week due to bank holiday.
Reminder to send your four image titles (as used in Print competition rounds) for Print of the Year this week.

PLEASE NOTE CHANGE TO JUNE PROGRAMME (below) so as to accommodate longer poll for monthly competition final. Deadline for "D" images is a week earlier and results meeting swaps with Rally results. Apologies for the change.
