Photographers can enter their works in any round of any competition - but an image can only be used once in the year. The PDI of the Year and Print of the Year entries must have been used in a previous round of the same competition.

The rules for each competition are on the website. If it is not possible to judge a Print competition at the Hut then a DPI round will be substituted on Zoom (using PDI versions).

Wed 15 Feb 2023 PROJECTED DIGITAL IMAGE (PDI) SET SUBJECT COMPETITION with visiting judge Don Morley via ZOOM - judge's set subject is "ACTION" (see notes below for explanation)

Judge's explanation "Action encompasses anything or everything that moves, so for instance could involve catching the absolute peak moment of almost anything in action. It could be something from dance, sport, other activity and/or involve people, birds, animals, mechanical objects, falling objects, etc, - almost any dynamic situation - it's wide open."

Wed 28 Jun 2023	CLUB AWARDS EVENING and (short) AGM - including Monthly Set Subject Competition final with top images from each of this year's monthly set subject competitions

This competition comprises monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is (half of) the letters of the alphabet (in QWERTY keyboard sequence). The remaining letters will form the theme for next year. Images could include subjects that are characterised by the shape of the letter or subject(s) which start with the letter or are associated with the letter etc - use the set subject title creatively. Your image title may help.

The competition is intended to encourage new images or images previously unseen at the Club - though they can have been taken at any time. Members often try images in this competition before submitting them into the Club PDI/Print competitions. Up to three images can be submitted in each month by each photographer. Images are submitted by email before the deadline a week before the Monday results meeting. There are two rounds of online polls by members to determine the winning images. The top 3 images each month go forward to the knockout final in June.

Ideally digital images should follow the same guidelines as used for PDI competition (ie jpgs sized at 1920 x 1080 pixels). Full submission guidelines are on the website. Please title your three images image title\_yourname\_.jpg as used for PDI competition.
