We welcome new member Grahame Singleton. "I have been trying to take photographs for 60 years. I have had many camera systems over the years and now reduced my equipment to a Leica Q2 Monochrom with fixed 28mm lens and a Mac book. No colour. My camera is my friend I take out of a walk to help me understand the changing world and putting it out into world via Instagram Going forward self publishing books on Blurb and getting the occasional masterpiece printed. It is the process not the final outcome that I enjoy."
