

Macro (a closer look at the past week)

On Monday the results of the September monthly set subject competition (alphabet subject H) were presented in the Hut - to show off the new bright, clear, large Club projector and screen. Congratulations to the top 3 images. Download results here [CCClick](#) (link expires in one week).

2 Hawkstone Park by Paul Holroyd

3 Hoar Frost boots by Andrew Kernan

It has been suggested that we add a separate "critique" meeting after the results at which we can discuss in more detail some (say 10) of the images in each month's competition (or shorten the results presentation and use second half of meeting differently). This would specifically discuss the taking and processing of the images and maybe areas to consider changes (eg for subsequent use in Club competitions etc). Please reply to the newsletter email (it won't go to everyone) if you would be interested in participating in such a critique meeting.

Reminder to send PDI Round 1 Competition images to crawleycameraonline@gmail.com by Mon 9 Oct. You can submit up to FOUR images but please indicate one that can be dropped if we have too many entries (in which case all participating members will have three images). Can be any subject, colour or monochrome.

Images size max 1600 pixels wide x 1200 pixels high (new Club standard). Please name files as "image title_your name_optional your ref.jpg" (spaces allowed, underscores required). Competition judged in Hut on Mon 16 Oct.

Reminder that if you are interested in attending the Portraiture Workshop on Wed 4 Oct in the Hut then you need to book a place - respond to the separate email by 1 Oct please. Places are limited to 6 attendees so as to make best use of the session for those attending. There is a charge of £11 per attendee to cover the costs of the model. Please do not attend if not booked (confirmations emailed early next week).

This week we welcome back Andy Ronaldson who re-joins after a break.

You may see more of our "Light" postcards around town. Some at Three Bridges Station, and if you read the Copthorne Village Magazine they appear in a near full page article (thanks to Andy K) in latest edition.
