

Macro (a closer look at the past week)

This edition covers two weeks. A fortnight ago we hosted our annual meeting with Crawley Art Society when we showed "behind the scenes" of some of our images. Thank you to everyone who helped out and attended. On Monday's Zoom meeting the results of the October monthly set subject competition (alphabet subject J) were presented. Congratulations to the top 3 images. Download results here [CCClick](#) (expires in one week).

1 Jellyfish by David Rowe

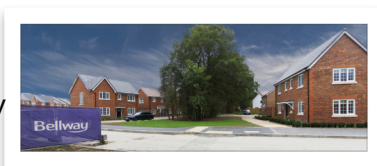

2 Japan by Phil O'Dell

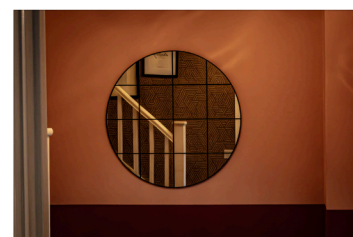

3 Triple Jumper by Steve Peel

The post-comp analysis generated much discussion about the image, titles and voting considerations and with more (and new) members joining in it was considered time for a reminder and refresh of the competition guidelines for this popular set subject challenge. These will be circulated before the next round in late Nov.

In Sept the Club was invited to take photos at the local Bellway Homes Riverbrook Place development. This week Ian and Andy collected their well-deserved prizes for the winning entries. See the attached press release issued by Bellway's PR company. Well done to Ian and Andy on a challenging photography day ! The download link above also contains other images from the photo expedition.

Winner - Open Spaces by Ian Woods
