

Macro (a closer look at the past week)

On Monday's Zoom the Club selected it's 10 representative images for the upcoming (tele)Photo Challenge with camera clubs from Belfast, Cardiff and Edinburgh.

We discussed over 75 images from the past 12 months using Club competition "held-backs" (scoring 18-20) and top3s from the monthly competitions.

The images have a title and a few lines of text talking about the photographer's intentions.

Each Club marks 3x10 sets of combined and anonymised images in early Feb - and the consolidated results from the four Clubs will be presented in early March.

The images for the Club Online Digital Image (ODI) Competition - essentially a PDI competition but on Zoom during the Winter months - were shipped electronically to our judge Eddie Hyde - who will mark and provide feedback via Zoom this coming Wednesday. Eddie returns to our Zoom screens after giving us a talk last November.

In a busy coming week, in addition to ODI Round 1, we have a "Smartphone Photography" Zoom talk with Jet (Jeanette Lendon) - "a digital disrupter rethinking creative media" - see jetblacksquares.com - and voting on the January monthly set subject competition (letter Z or X). Watch out for Zoom talk invite email and online poll email.

Meanwhile another recent POTY award announcement - this time Close-up Photographer of the Year (CUPOTY) and images can be seen at www.cupoty.com
