

Macro (a closer look at the past week)

On Monday's Zoom meeting the results of the February monthly set subject competition (alphabet subject C) were presented. Congratulations to the top 3 images. Download results here [CCCLink](#) (expires in one week).

1 Charlie the Chow by Ian Woods

2 Canary Wharf by Ian Woods

3 Cross by Phil ODell

This month we had 42 images from 14 photographers and there were many excellent images representing different interpretations of the letter C - reflected in some close marks. It is especially good to see our newer members participating. The competition/challenge provides a useful "safe space" to test out images and ideas and get feedback on how the images might be prepared for camera club competitions when external judges review the images. Whilst it is always good to submit images you like - the judges will be comparing images on the night against each other using technical, creative and story-telling criteria.

A reminder that our next meeting is at the Hut. The programme has a few upcoming Zoom talks and the monthly competition stays online - but as we move into Spring then there is space for more in-person meetings and practicals.
