

Macro (a closer look at the past week)

The end of another 12 month season with some 47 events (16 in-person) including eight talks with speakers from all over the UK, eight external judged competitions (digital and print) and 422 new images used in the monthly competitions. We started the year with reconfiguration of the Hut into a multi-purpose studio/meeting space, added a better dehumidifier and (thanks to our Hut share partner CrossFit Crawley) added ventilation. We acquired an awesome new projector and screen for PDIs, and exhibited prints in a two-month Exhibition at the Museum. We critiqued images with Clubs in Belfast, Cardiff and Edinburgh in our innovative UK-wide challenge, won the mix n match in a close finish at Christmas, and joined the Regnum Crouch group of Sussex Clubs. The website had an update to showcase some of the learning/interest groups (particularly Creative Lighting) and to show our "Light ..." series of publicity postcards. There were 37 newsletters - though its future is in doubt - according to the survey in last week's edition it has few readers... if you want to add anything then it still at [Survey 2024](#) (click link).

At the AGM on Wednesday we had reports on key aspects of the Club. The awards for the Club Competitions are attached. The election of a new Committee was deferred for a short period for the Club to consider a number of proposals from CrossFit - all to addressed in an EGM to follow shortly. More details over the next few weeks,

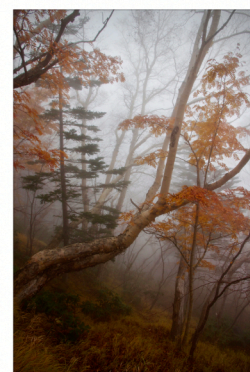

Finally the results of the "final" monthly set subject competition were presented. Congratulations to the top 3 images. Results attached to newsletter email.
