

## Macro (a closer look at the past week)

A chance to catch up on activities since the start of the year. Two weeks ago we had a return Zoom visit from Scotland's David Gilliver to give us a surprising and entertaining macro/close-up talk on his award-winning Little People project. You can check out other images (and also his light-painting portfolio) on his website [www.davidgilliver.com](http://www.davidgilliver.com) and we have an online shop discount code CLUB25. Intriguingly David suggested there may be an opportunity for him to visit later in the year as part of a workshop trip to the South-East.

Scottish photographer's big award for small photo

In week two we met to consider our selection of 10 images for the annual remote inter-club (tele)Photo challenge organised by CCC with clubs in Belfast, Cardiff and Edinburgh. The images from us and the other clubs are currently being collated ready for us to award our rankings in a meeting in early Feb (preceded by an online poll of the images).

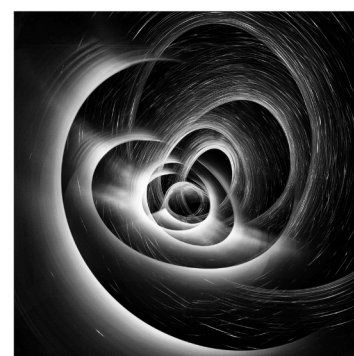

This past Monday guest judge Don Morley was on Zoom for Round 1 of the Online Digital Image (ODI) Competition. Congratulations to the top images and photographers. Full results are on the [Club website](#) and attached to the newsletter email. The image review/discussion meeting is after Round 2 in Feb.
