

Macro (a closer look at the past week)

Time to catch up on a busy two weeks. We had another excellent Zoom evening from [Phil Savoie](#) on "Strictly Telephoto". Phil has provided copies of some of his slides (attached to email). He has other talks so may be back. Then we reviewed the outcomes of the (tele)Photo Challenge 2025. The results pack is also attached to the email. Congratulations to Paul H whose image was ranked equal second across the 40 images from the four regions.

And last Wednesday guest judge Ian Brash visited the Hut for Round 2 of the Print Competition (he last came in 2007 apparently). There were 47 entries and the meeting was attended by 18 members. An upbeat message for "prints". Congratulations to the top images and photographers. Full results are on the [Club website](#) and attached to the email. This now concludes the PRINT rounds. Print of the Year is in May. R2 images and feedback will be reviewed in the Hut after the PDI round 2 competition in April.
