

Monthly Set Subject Competition 2024-25

This competition comprises 12 monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is (first half of) the letters of the alphabet (in QWERTY keyboard sequence). Images could include subjects that are characterised by the shape of the letter or subject(s) which start with the letter or are clearly associated with the letter etc - use the set subject title creatively. Images can have been taken at any time but ideally have not been seen previously at the Club. Each month members vote for their favourite top 3 images which go forward to the final in June. Members typically use this environment to test images that may be used in Club competitions.
