Reminder that Paul H is running a post-processing workshop on 11 June. As well as discussing and demonstrating some of the common photo editing features across image processing software, it is an opportunity to input into developing a wishlist of technique/skill classes for future workshops.

Deadline for monthly competition images is Monday 16th - letter "D". There will be 2 x two round polls this month as we also have the overall final voting in the week prior to AGM.

Notice that the Club AGM is on Wed 2 July at the Hut, followed by results of the Monthly Competition Final. Details will follow but nominations for Committee roles are open (reply to newsletter email with your nominations please).

Club Secretary is one seat seeking nominations as the plan is for it to revert back to a less all-encompassing role focusing on committee organisation, membership and maybe newsletter (not necessarily in its current form as the incumbent can use tools they are familiar with).

In July we will be selecting and preparing around 30 print images for our annual public Exhibition at Crawley Museum (mid-Aug to mid-Oct). All print workers get the opportunity to display 2-3 images with a chance to receive the Crawley Arts Council Chair's Award for his favourite image.

Pleased to report the return of the friendly Mix n Match fun competition in a two-Club format with East Grinstead Camera Club where both clubs have to match a given subject in each of 60 rounds. Plus a Halloween themed best image award. You've guessed it - on 30 Oct this year - reverting to Christmas next time.
